That's How Life Goes

8 0 2

Chapter 1 by Chickenisblazin

Why do I have to always to be that one person who ends up on the streets, who get's turned down or kicked out of the house? Is it just me, or does life hate me. I meditate on that thought for a few minutes. Somewhere deep down in my heart, I know life does not hate me, I just can't give up on my self.

Today I am going to get from under this bridge and go out into the city and try to be the person I can be. Once, my teacher told me when you fall down that mountain, keep on climbing it and never give up. So that is what I am going to do today. I hope I wont turn out as a failure but as some one who achieves.
